*"We will open the book. Its pages are blank.
We are going to put words on them ourselves.
The book is called opportunity and its first chapter is
New Year's Day."

Inaugural Holiday Gathering

The Gloaming Society toasted a successful first year at our holiday gathering in December, where members and their guests helped us celebrate our mission while sipping champagne, sampling delectable desserts and connecting with new and old friends. For those who were able to join us, thank you for signing up for future salons and participating in our book exchange, a fun way for all of us to add new and fascinating titles to our libraries. For those who were unable to attend, please visit the website to sign up for our upcoming salons and learn more about what we have planned for 2020.
